Question of the Week:

Question: With two start times being proposed for next year, may I drop off my high school student and then drop off my K-7 child at North Star? This means my younger child will have to wait for about 30 minutes for school to begin.

Answer: We are anticipating that some parents will need child care in the morning before the 8:45 start time. For this reason, we plan to hire a para-professional to watch children in a classroom from 8am – 8:45 am. We will also have student council students helping. Instead of charging parents an hourly fee, we request that they make an equivalent donation to our student council. We will also consider running a bus from the off-campus high school to North Star after school so families with older and younger children can pick siblings up at one spot.

ENROLLMENT LOTTERY

- The deadline for enrollment applications for the lottery is **April 1, 2008**. The lottery will be held on Tuesday, April 8th, at 3:30 P.M.
- If you have a kindergartner for next year, please submit your application as soon as possible so that we can secure your child's spot.
- Thank you, Mrs. Syphus.

Economics Moment:
Whose boots are these? How have they become an economics lesson on supply and demand at North Star? Who gets to wear them? Ask any second grader!

BUS SAFETY
Parents: If your child rides the bus home from school, please remind them to go straight to the bus when school is dismissed. Many children are waiting until the last minute to run to the bus, which is causing a safety issue.
Also, please do not leave Kindergartners in vehicles unattended after you pick them up from school. They need to be supervised at all times. Thank you.
