

Dear Parents,

In order to save on supplies and materials, we hope that you are able to access your student's grades and comments online, via PowerSchool. We are not able to format the screen that mimics the traditional report card that you are used to, but you are able to print screens and view teacher comments, as the following picture tutorial shows you.

Once you log in with your Guardian logins given at the beginning of the year, you will see a page similar to below:
