

NORTH STAR CHARTER SCHOOL

Media/Directory Permission Release and Usage Agreement Contract

Directory: At North Star Charter School we have many learning opportunities and extended school experiences which require your children to have written consent or parental permission prior to participating. This form was created in an attempt to cover all areas needed. Please initial each box, giving you consent for that particular item or activity. Then sign and date the bottom of the form and return it to the school office prior to the first day of school. One form will need to be filled out per child and then copies will be made and distributed to each child's individual teacher as needed.

Due to FERPA laws we are unable to share emails or phone numbers with other parents without written permission. Therefore, the staff would like to create class directories of students emails and phone numbers.

If you agree to share your child's information please initial below.

Media Access: Throughout the year, our staff, students, and representatives of the media may be in our school or at school-sanctioned events to take pictures and write about the good news happening here for school newsletters and other print and electronic publications, as well as for newspaper, television, and radio coverage. These tend to be "human interest" or "good news" stories.

We also understand that some parents have concerns. If you object to having your student participate in district media coverage, please complete a form at our office. Please note, your permission will be assumed if the school does not have this completed form on file.

Thank you.
