These tend to be "human interest" or "good news" stories. We also understand that some parents have concerns. **If you object to having your student participate in district media coverage, please contact North Star Charter School's office via email or letter within 30 days receipt of the Handbook.**

Family Educational Rights and Privacy Act (FERPA) Notice for Directory Information

Introduction

School is an important time in the lives of children, as they make critical and complex life choices and form attitudes, values, and habits that will guide them on their path to graduation. Many of the provisions in this handbook are required under state or federal regulations. Unfortunately, the sheer volume and character of some of the provisions may give the impression of an overly formal school system rather than a friendly, personal one. Therefore, in sharing this handbook, we would like you to understand we seek to cultivate an active partnership with you. The information contained here is to enrich this partnership through understanding of expectations. What is more important than these written provisions, however, is maintaining open communication with you on issues affecting the progress and growth of students.

Mission Statement

North Star Charter School provides students a world-class education characterized by a safe, supportive and structured learning climate that encourages high academic achievement, intellectual confidence, leadership and virtuous citizenship.

This mission represents our belief that all of our students will receive an education that prepares them to handle the issues of the 21st century world by equipping them to think critically and creatively and gain confidence in their skills and knowledge, resulting in citizen leaders with virtue. They will achieve this through the “North Star Way”:

- **Students:** We believe all of our students deserve and can benefit from the educational programs we offer. We are a public, K-12, tuition free charter school.
- **World-Class:** We are an International Baccalaureate (IB) school. We engage students in exploration and discovery of their 21st century world through the IB Diploma program, learning a second language, surveying music or art, and investigating global entrepreneurship.
- **Safe, Supportive and Structured:** We help our students become virtuous citizens. Our elementary program prepares students both morally and in conduct, for the leadership, service and hard work of our secondary and IB diploma programs. We provide a safe learning environment allowing students to focus on a challenging curriculum and accelerated learning
- **High Academic Achievement:** We believe that all students can meet high expectations and overcome obstacles that seem insurmountable. We equip students to think critically and creatively and gain confidence in their skills and knowledge. All students in all grades strive to be “college-ready”.
- **Community:** We are students, teachers, staff, parents, and directors of the North Star Charter School community. We focus on a shared vision of educational excellence and character development. We strive to understand our unique roles in that common vision. We all have a responsibility to educate NSCS students.

Vision Statement

North Star students will mature as confident architects of their future and thrive at every level of their education and careers.

This vision guides North Star Charter School to:

- Forge “high performance” principles into a stellar public education.
- Ignite in our students a passion for critical and creative thinking balanced with a deep ability for self-reflection.

- Fuel a vision of perseverance, compassion and depth of character that empowers our students to flourish in their community, nation and world.

By “high performance” we mean having a universal and pointed focus on accelerated educational expectations for all students. In aligning curriculum from K through 12th grades, high standards for teaching and learning can be achieved. We promote and train effective teachers and leaders that use the powerful tools of collaboration and communication to unite the whole NSCS community.

HOMEWORK

It is our intent to require reasonable and constructive homework assignments that will encourage the student’s success in the classroom. Research shows that the most successful students, regardless of family income level or ethnic background, are those who have regularly structured homework time. The primary responsibility of homework belongs to the students themselves. Administrators, teachers, and parents also play an integral role in a successful homework experience. The need for active communication is essential throughout the homework process.

Purposes of homework:

- **Preparation:** to introduce material to be presented in future lessons (6th-12th).
- **Practice/Review:** to reinforce and/or master basic skills already presented in class (All Grades).
- **Responsibility:** develop organizational and time management skills as well as self-discipline (All Grades).
- **Feedback:** to give teachers valuable feedback to monitor student progress (All Grades).
- **Application:** to enable students to connect skills and concepts to new situations within the subject matter (6th -12th).
- **Extension:** to provide students with opportunities to transfer specific skills or concepts from one subject to another (6th-12th).

MONITORING STUDENT ACADEMIC PROGRESS

Our school provides 24/7 online access to student grades, assignments, and other information through web-based programs such as **Power School and a Google Portal**. Please contact the student’s teacher for further information.

Parent Conferences – Our school hosts at least one conference session for students, parents and teachers to meet face to face and discuss progress.

Report Cards – Report cards can be accessed on PowerSchool at the end of each semester.

Grade Point Average (GPA) – The total number of points divided by the number of counted classes equals the GPA.

The point system is as follows:
A = 4.0 B = 3.0 C = 2.0 D = 1.0 F = 0

Testing – Our teachers use a variety of assessments, quizzes, tests, projects, portfolios and homework to measure student achievement. Idaho requires all students in grades 3-10 to participate in the ISAT 2.0 in the spring. Additionally, students K-3rd participate in the Idaho Reading Indicator to measure their reading achievement.

MIDDLE SCHOOL PROMOTION POLICY
(IDAPA 08.02.03 State Board of Education Rules Governing Thoroughness)

Progressing to the next grade level is earned through academic achievement. Further, each 6TH- 8th grade student must attain a minimum of eighty percent (80%) of the total credits attempted in order to be eligible for promotion to the next grade level.

To be eligible for promotion to the next grade level, each 6th-8th grade student must earn at least one credit from each of the following year-long classes: Math, Science, Reading, Language Arts, Social Studies.

Credit Recovery: 6th- 8th grades students who do not meet the minimum credit requirements will be given the opportunity to recover credits or complete an alternate mechanism in order to become eligible for promotion to the next grade level. Credit recovery options include, but are not limited to lab classes, scheduled intervention, summer school, online courses and after-school intervention.

Alternate Mechanism: By the end of their current academic year, 6th- 8th grade students may demonstrate proficiency of required content standards through an alternative mechanism to determine eligibility for grade level promotion. The alternative mechanism will include, but is not limited to: improved attendance; academic growth; improved grades; ISAT scores; and end of course assessments. The alternate mechanism will be determined on an individual basis and will assess current levels of performance. Students may petition for reconsideration and must show data to support the petition. A School Review Team comprised of the administrator(s), teacher(s) and counselor will review each petition to determine if a student has demonstrated proficiency of the appropriate content standards. The decision of the School Review Team may be appealed to a school committee comprised of the Administration and one other school representative. The decision of the School Review Team is final.

Students who struggle academically will be referred to the RTI team (Response to Intervention), asked to create an alternative plan that applies to the student's needs and apply the plan during school hours. Parents may be asked to attend planning meetings and the student plan will be shared with parents.

Alternative criteria may include, but is not limited to, the following:

- Meet goals established in Special Education Individualized Education Plan.
- Meet goals established in English Language Learner Plan.
- Miss no more than four classes per quarter.
- Earn grade-level team recommendation.
- Finish school year with a 2.0 grade point average or higher.
- Pass end-of-course exams.
- Demonstrate growth on the SBAC.
- Participate in academic assistance such as:
 - Response to Intervention programs
 - Tutoring
 - Summer school
 - Online classes such as Idaho Digital Learning Academy.

Idaho Digital Learning Academy Classes

The Idaho Digital Learning Academy (IDLA) is a statewide, web-based, educational program set up to provide Idaho students with greater access to a diverse assortment of courses. This virtual high school

was created to address the educational needs of all Idaho students: traditional, home schooled, at-risk, gifted, and adult learners. North Star Charter School will use IDLA classes to supplement the curriculum and to provide remedial academic support. Teachers, counselors, and administrators will identify those students who will benefit from IDLA classes and recommend those who will meet the additional demand of on-line classes accordingly. Students may be denied the privilege of having financial support for IDLA courses if their behavioral record does not indicate the self-discipline needed to succeed in on-line classes.

ATTENDANCE

Students, parents, and educators recognize the importance of attendance and punctuality at all grade levels. Key reasons for regular and punctual attendance are employability, educational benefits and success in school.

- Employability- Punctuality and attendance are important skills for employment identified by employers. Developing these skills is critical whether students plan to work during the school year, after graduation, or after college.
- Educational Benefits- Regular attendance helps to assure that students are getting the benefits of a program that is 90% direct instruction at the K-6 levels, 75% interdisciplinary study at the 7-12 levels along with 20% cooperative problem solving.
- Success- Students must be present in order to experience success. Further, each student's presence enhances success of the entire class.
- Financial Solvency of our School- The school's funding is based on obtaining an average of 96% attendance in Kindergarten through grade 12. Average daily attendance is determined on a weekly basis. It is critical to the financial viability of the school that parents/guardians adhere to their commitment of at least 96% attendance.

All absences, excused, or unexcused, count towards the 96% attendance criteria.

MIDDLE SCHOOL ATTENDANCE REQUIREMENTS

According to North Star Policy Code No. 501.1, applies to all students grade 6-12. North Star Charter high school students must attend a 4 period block schedule school day to be considered a full time student.

At the 6th, 7th, and 8th grade levels, three (3) unexcused absences in a semester will result in the dropping of one letter grade in each subject area during that same semester.

APPEALS PROCESS

If a student disputes an absence-based decision, the student will be required to present his/her appeal to a faculty committee selected by the school administrator. Following this process, the committee may recommend an amendment to the disputed decision, including 6-8th grade students regaining the loss of a letter grade. The school administrator and faculty committee will make decisions in keeping with the overall intent of this policy. The appeal process will be first to the school administrator and faculty committee and second to the Board of Directors.

Attendance codes will be used as follows:

- Unverified: no information regarding absence
- Bereavement: student is absent because of a death in the family
- Truant: student is absent without permission of parents or school officials

- Alternative School: student is attending an alternative setting such as homebound
- Parent call: student is absent as verified by parent phone call
- Ill: student is absent as indicated by documentation from medical personnel
- Vacation: student is absent and on vacation or trip

EXTRAORDINARY ABSENCES

Extraordinary absences require prior written request from a parent or guardian, except in the case of illness, accident, or bereavement. Written communication must come from the parent to the school office within 48 hours of the absence to prevent truancy. The following criteria are used to determine extraordinary absences:

1. NATIONAL OR INTERNATIONAL ACTIVITIES: Events organized for the purpose of continuing competition or an extension of an approved school program/contest, or special activities such as Olympic qualifying meets
2. ILLNESS/ACCIDENT; Confinement either at home or in a hospital, which can be confirmed in writing by a licensed physician, dentist, psychiatrist, nurse or other health professional.
3. COURT APPEARANCE: As verified by official documentation.
4. PROFESSIONAL APPOINTMENTS: As confirmed by documentation by professional personnel such as medical doctors, optometrists, dentists, orthodontists, psychiatrists, or attorneys.
5. EXTENDED FAMILY EDUCATIONAL TRIP ABSENCE: In the instance that an extended family, educational trip occurs while school is in session, the parent and students requesting this exception must do the following:
 - a. Submit a letter or request to Administration at least two (2) weeks prior to the trip.
 - b. The requesting student must have passing grades in all classes.
 - c. This request may be granted if the requesting student has not exceeded six (6) absences per class in a traditional schedule or four (4) absences in a block schedule prior to this request.
 - d. The requesting student does not have any trancies or school suspensions.
 - e. All pre-arranged work is due on or before the first day back to class.
 - f. Parents/guardians must write the office prior to the dates of absence.
 - g. Students are responsible to make missed academic work, as pre-arranged with the individual teachers.
6. BEREAVEMENT: Up to five (5) days for a member of the immediate family, i.e. father, mother, brother, sister, grandparents.
7. RELIGIOUS OBSERVANCES: When participation is required and can be verified by an appropriate church official document.
8. ACTIVITY ABSENCE: an absence for a school sponsored program, athletic event, or activity.
9. ABSENCE ON DAY OF ACTIVITY: A student who is absent during any part of the day of an evening performance or event may not participate in that performance or function unless deemed an extraordinary absence.

UNVERIFIED ABSENCES

1. All absences except those in the extraordinary portion or under special provisions, are considered unverified absences. Unverified absences change to trancies if written communication does not come to the school from the parents/guardian within 48 hours of the absence.
2. Persistent truancy may result in suspension/expulsion from school.

EXCESSIVE ABSENCES

Students who accrue six (6) absences in a block schedule may be dropped from school and placed at the bottom of our wait list. When the students name is at the top of the wait list again then they may be re-enrolled in school. Students served by homebound tutors will not be included in this procedure. In addition, students with six (6) unverified absences in a block schedule, whether consecutive or accumulative, may be referred to the Board of Directors as a habitual truant. If a student is absent six (6) absences in a block schedule, he or she may be dropped from school without verification of circumstances warranting the absences (i.e. doctor or court excuse).

TRUANCY

Truancy is defined as a student being absent without approval of his/her parents, guardian, or school officials. Truancy occurs when:

1. An unauthorized phone call is made.
2. An unauthorized note is sent to school.
3. The parent refuses to excuse an absence.
4. The student leaves school without permission to leave.
5. The student is in the building, but is out of class without permission.

CLOSED CAMPUS

Secondary students, grades 6-8, are not permitted to leave campus upon arrival and must remain on campus in designated areas. Violation of the closed campus policy will result in truancy.

MAKE-UP WORK

When a student has an absence, they are given two (2) days for every day absent to make up missing homework. It is the student's responsibility to make sure they receive and complete all of the missing assignments. The student or parent should check the website or email the teacher for assignments.

TARDIES

Students are expected to be in their assigned classroom when the period begins; if they are not, the student will be considered tardy. The only "excused" tardies are for illness, approved school activity (example: meeting with a school counselor), or scheduled medical appointments. Four (4) unexcused tardies is equivalent to one unexcused absence and subject to the policy/consequences related to unexcused absences. Parents will receive a letter from the school when a student reaches their third, fourth, and fifth unexcused tardy. Six (6) unexcused tardies will result in loss of credit.

North Star Student Behavior Expectations

The following list of core beliefs outlines the professional actions and attitudes of all staff members in this school, as borrowed from the Love and Logic Philosophy:

1. Every attempt will be made to maintain the dignity and self-respect of both the student and the teacher.
2. Students will be guided and expected to solve their problems, or the ones they create, without creating problems for anyone else.
3. Students will be given opportunities to make decisions and live with the consequences, be they good or bad.
4. Misbehavior will be handled with natural and logical consequences instead of punishment, whenever possible.
5. Misbehavior will be viewed as an opportunity for individual problem solving and preparation for the real world as opposed to a personal attack on school or staff.
6. Students are encouraged to request a “due process” hearing whenever consequences appear to be unfair.
7. School problems will be handled by school personnel. Criminal activity will be referred to the proper authorities.

North Star’s goal is to work closely with parents to uphold standards of courtesy, respect, and kind behavior. Our staff will apply corrective actions consistently. Consistency means that when there is a problem, it will be addressed; and that when there is misbehavior it will be addressed. Consistency does not mean that every situation or problem will be handled the same way.

Positive Behavior Interventions and Supports (PBIS) at North Star

The main focus of Positive Behavioral Interventions and Supports (PBIS) is to provide a clear system for all expected behaviors at North Star Charter School. While many faculty and students may have assumptions of what is expected behavior, we cannot assume that everyone’s beliefs are similar. Through PBIS, we will work to create and maintain a productive, safe environment in which ALL school community members have clear expectations and understandings of their role in the educational process.

Proactive Approach to School-Wide Discipline - Schools that implement school-wide systems of positive behavior support focus on taking a team-based system approach and teaching appropriate behavior to all students in the school. Schools that have been successful in building school-wide systems develop procedures to accomplish the following:

1. **Behavioral Expectations are Defined.** A small number of clearly defined behavioral expectations are defined in positive, simple rules. Students and Staff will have:
 - Positive Attitude
 - Respect
 - Integrity
 - Determination
 - Excellence

POSSIBLE CONSEQUENCES

Think Time – Form completed by student outlining his/her thinking error.

Time Out – Student is removed to another classroom and allowed back when s/he is ready to learn.

Lunch Detention - Students must be on time, prepared with reading or study materials enough to occupy the detention time.

In School Suspension (ISS) - Provided daily during school hours. Students may be assigned for a portion of a day, up to 10 days of ISS.

Suspension from school (OSS) Students may be suspended from school and all school-related activities for a period of 1 to 5 days, with an extension of up to 10 days for violent or severe behavior.

Expulsion - Any student who is a continually disruptive of school discipline, disrupts the instructional process, or whose presence is a detriment to the health and safety of other students may be denied attendance by expulsion. Only the Board of Trustees can make this decision.

2. Expectations are Taught. The behavioral expectations are taught to all students in the building, and are taught in real contexts. Teaching appropriate behavior involves much more than simply telling students what behaviors they should avoid. Specific behavioral examples are:

- Positive Attitude
- Respect
- Integrity
- Determination
- Excellence

Behavioral expectations are taught using the same teaching formats applied to other curricula. The general rule is presented, the rationale for the rule is discussed, positive examples (“right way”) are described and rehearsed, and negative examples (“wrong way”) are described and modeled. Students are given an opportunity to practice the “right way” until they demonstrate fluent performance.

3. Appropriate Behaviors are Acknowledged. Once appropriate behaviors have been defined and taught, they need to be acknowledged on a regular basis. North Star has designed a formal system that rewards positive behaviors. North Star Reward Tickets are immediate rewards used by the individual teacher, at their discretion, as a tool of encouragement and a student motivator, to encourage and reinforce positive behaviors demonstrated on a consistent basis. Teachers can award Reward Tickets to students, whether they teach them or not. Reward tickets are also turned in to the office to enter students and teachers in drawings for tangible rewards.

4. Behavioral Errors are Corrected Proactively. When students violate behavioral expectations, clear procedures are needed for providing information to them that their behavior was unacceptable, and preventing that unacceptable behavior from resulting in inadvertent rewards. Students, teachers, and administrators all should be able to predict what will occur when behavioral errors are identified. Student Incident Reports (SIRs) are used to document and record incidents managed by the teacher in the classroom. Office Discipline Referral forms are used to refer major incidents or chronic disruptions to the administration. The Student Behavior Management Process Flowchart is used to help teachers distinguish major from minor behavioral incidents.

5. Decisions about Behavior Management are Data Based. One of the most important features of PBIS is the use of the web-based data management system called SWIS. The SWIS database tracks what types of discipline incidents are occurring, where, what time of the school day and who is involved in them. SWIS eliminates guesswork from the decision making process about what is and is not working in a building’s behavior management system. It allows decision makers to create reports that enable them to devote resources and time to the precise place, parts of the school day and people that need them.

North Star Charter School Suggested Teacher Interventions

 - Preparing any academic work with another student, unless permitted by instructor.
 - Possessing or using material or notes not authorized by an instructor.
- **Collusion** - Supporting misconduct by another student, for example:
 - Allowing one's work to be copied or submitted in another's name.
 - Providing assistance on an assignment or exam without instructor consent.

COMPUTER USE

The purpose of North Star Charter School Internet and local network access is to facilitate communication in support of research and education. To remain eligible as a user, access must be in support of and consistent with the educational objectives of North Star Charter School. Access is a privilege and not a right. Users should not expect that the files stored in the district's systems would always be private. Electronic messages and files on school-based computers may be treated like school lockers. Administrators and faculty may review files and/or messages to maintain system integrity and ensure users are utilizing the system responsibly.

North Star Charter School Appropriate Use Policy for Computer and Computer Systems: Computers and computer networks, including Internet access, provide valuable tools that support the education of students at North Star Charter School. The student and his/her parent(s) should read and discuss the school policies concerning computer use.

Unless a parent has contacted North Star, in writing, within 30 days of receipt of the Handbook, all students will be given access to the Internet. In many cases, library research resources, such as databases of magazine, journal and newspaper articles, are only available through Internet access. In addition, the Internet provides access to information and media resources, simulations, and other online educational activities. Its proper use can open new opportunities for research, learning and communication. Improper use of the internet will result in disciplinary consequences.

Students will be assigned a network login. With this access comes responsibility. Student logins on the school's network system(s) are considered a privilege, not a right. Students are expected to use only the software made available to them by their teachers or designated technology staff. They are allowed to save documents and other school-related files to their home directories on the network, or other drives only as specified by their teachers or designated technology staff. A student who gains access to inappropriate material on the Internet is expected to discontinue the access as quickly as possible, and to report the incident to a staff member.

Students will not install or download games, utilities, plug-ins or other programs or files from the Internet or any other outside source to the network or individual systems. Students will not stream content from Internet sources (examples are not limited to Pandora, Netflix, etc..) Hacking (attempting, without authorization, to access or alter Internet, network or local hard drive functionality, configuration, data or software) is forbidden. This includes, but is not limited to, the creation or transmission of computer viruses, WORMs or any programs/files that would disrupt the use or functionality of the computers or network. Any attempt to harm or destroy functionality of computer-related equipment or data will be considered vandalism (see Idaho State Code 18-2202).

Students are expected to follow the guidelines and policies expressed in the handbook and the school's NETWORK, COMPUTER AND ELECTRONIC INFORMATION SYSTEMS Policy. ARRIVAL & DISMISSAL CAMPUS

Attending school every day is essential to student success. Our school provides free bus transportation to eligible students. Once they arrive, in order to leave campus for any reason, students must have verified parent approval via a note or phone call prior to checking out from school. The student must check out and in through the office. Students who do not follow this procedure will be considered unexcused (truant) in all classes missed and will be subject to disciplinary action. Students may not leave campus prior to the end of the school day without parent permission. Students must follow this procedure to avoid being listed as truant. North Star Charter School is a closed campus.

For their safety, students are to arrive at school no earlier than 15 minutes before school starts. **North Star does not have supervision at school until 7:30.** Upon arrival 6th-8th grade students should go directly to their homeroom. The doors are unlocked at 7:30 for secondary students.

Students must be off school grounds 15 minutes after school is dismissed unless participating in an extracurricular activity under the direct supervision of a teacher/coach.

Secondary students cannot ride the Elementary buses.

Our goal is for your child to be safe. Please make thoughtful arrangements to assure that the arrival and dismissal procedures are followed.

TRANSPORTATION

Family-provided transportation: Parents are welcome to transport their children to school. We ask that the entrance and exiting paths be followed to ensure a smooth flow of traffic during peak times. Students are welcome to walk, bike, skate or scooter to school. Once they arrive at school, bikes should be locked in designated racks. Skates, skateboards, and scooters need to be carried into the school and locked into the student's locker. To ensure the safety of all students, these transportation devices cannot be used in the school or during school hours.

Bus transportation: Students who live more than 1-½ miles from school are eligible to ride an assigned school bus without charge. Out-of-district students are responsible for their own transportation. North Star Charter School provides bus transportation for all qualifying students through Brown Bus Company. Contact Brown Bus at 466-4181 for individual bus stop locations and bus numbers.

BUS RULES

- **ALWAYS REMAIN SEATED.**
- **FOLLOW DRIVERS DIRECTIONS THE FIRST TIME.**
- **EVERYONE WILL BE HELD RESPONSIBLE FOR THEIR ACTIONS.**
- **TREAT EQUIPMENT AND OTHERS WITH RESPECT.**

Designated Bus / Permission Slip: Each student is required to ride their designated bus to and from school. Your child must have a written permission slip to ride a different bus home or to get off the bus at a bus stop that is not their regular designated bus stop. Permission slip forms can be obtained from the bus driver or from the school office.

Seating: Each driver has the authority to assign seats or establish seating arrangements as they see fit, in order to manage the students on their bus.

Bus Stops: Have your child ready to board at the designated bus stop 5 minutes before the buses regularly scheduled time. While waiting at the bus stop each student should stay out of the roadway and be respectful of other people's property. For the SAFETY of each student, there should not be any horseplay, pushing, shoving, or harassing at the bus stop.

Visitors

As part of our effort to keep students safe, we require visitors to check in at the office and obtain a visitor's pass. Visitors may also be required to show ID.

We welcome parent visitors, but ask that you schedule appointments with teachers or staff so classroom teaching will not be disrupted.

Visitors who are not authorized on campus are considered to be loitering and may be charged with trespassing.

To protect students and school property, our school has a "No Loitering/No Trespassing" policy. School administrators must have immediate knowledge of any unauthorized persons inside the building or on its grounds.

Children who are not students enrolled in our school are not allowed on campus unless authorized by Administration. Unauthorized visitors are trespassing.

Late Buses: Routes can be delayed for a number of reasons and most of them are out of the control of the driver. Some examples of delays that cause buses to be late are trains, road construction, weather, student discipline during the route, and field trip buses returning late.

COUNSELING SERVICES

The North Star Charter School counselor is available for student advocacy and assistance. Student must consult the counselor to secure information and guidance in the areas of education, career interest or planning and social development. Do not hesitate to speak to counselor if you experience difficulties or problems. Request forms to see a counselor are available at the front desk. A request must be filled out and submitted to the office in advance. The counselor will send for the student when the schedule allows.

If parent/guardian cannot be reached, the designated emergency contact will be notified. **Please advise the school of any changes in telephone numbers, places of work, or emergency contacts.**

In the event of serious illness or injury, the Ada County paramedics may be notified to assess the student's condition and transport to the emergency room if they determine it is necessary. Every effort will be made to contact the parent, who may then meet the student at the emergency room or at school. **It is the parent's responsibility to pay for medical services – including transportation to the emergency room.**

The school has personnel trained in performing CPR and first aid; these personnel along with the school administrators will be responsible for determining the need to call for further medical assistance. **If your student has a chronic or acute health condition that may affect them at school, please contact the office.**

Immunizations: Children must be in compliance with Idaho Immunization Laws in order to attend school.

Medical Insurance: Even with the greatest precautions and the closest supervision, accidents can and do happen at school. They are a fact of life and part of the growing-up process our children go through. Parents need to be aware of this and be prepared for possible medical expenses that may arise should their child be injured at school.

North Star Charter School does **not** provide medical insurance to automatically pay for medical expenses when students are injured at school. This is the responsibility of the parent(s)/legal guardian(s). North Star Charter School carries only legal liability insurance. Parents, please be prepared to pay for your child's possible medical expenses.

The office keeps a first aid kit to be utilized for small emergencies and mishaps.

GENERAL POLICIES

Student Records: Any student, parent, or legal guardian may have access to records (cumulative folders), which pertain to them personally. Unless there is a court order prohibiting it, non-custodial parents are allowed to see these records. Administrators may disclose personal information about students without prior consent from the parent/guardian if it is deemed necessary by the administrator. Cumulative records are available to certified staff. Records of a confidential nature are not open and remain with the person responsible for them (i.e. administrators, counselor, etc.).

- The student will complete a check out form on their last day of attendance.
- **All schoolbooks and equipment must be returned on the student's last day of attendance.**
- Parent/guardians will be charged for all books or equipment that are not returned.

Lockers: Middle School students are advised to keep their locker combinations to themselves. Locker combinations will only be changed or lockers exchanged for security reasons. Backpacks should be kept in lockers. Lockers and desks remain the property of the school. The school is authorized to open lockers and desks to examine their contents, including personal belongings of students, when officials have reasonable cause to believe that the contents threaten the safety, health, or welfare of students or include suspected stolen property or items, which are specifically prohibited by law, Board Policy, or school regulations.

Messages: We are anxious to maximize students' uninterrupted learning time. We deliver emergency messages at the time of the call. Balloons (no latex), flowers, and other special deliveries are kept in the office until the end of the day. The recipients will be notified during their final class period.

Telephone Use: An office phone is available in case of emergencies only before and after school, and during lunch. Students must obtain permission at the front office for using the school's telephone.

Lunch Program: Students must bring a lunch from home. North Star contracts with "Wholesome Tummies", a business that has online lunch orders which are delivered to school each day.

Closure Procedures for Weather Emergencies: The decision to close school will be made as early as possible, preferably the night before. Tune into your local TV station (channels 2, 6, or 7) for closure information between 5:45 and 6:00 a.m. Please check our website and Facebook page. Please do not call the school.

EXTRACURRICULAR AND CO-CURRICULAR ACTIVITIES

North Star Charter School is dedicated to offering an activities program to the young middle school men and women of North Star Charter School. It is the school's belief that there should be a proper balance between the academic and activity programs. A properly balanced and well-supervised activities program will provide social, emotional, and physical opportunities for those wishing to participate. This school will take the responsibility for providing a program that represents the interests of the majority of its students.

Extracurricular or co-curricular activities are supplements to the regular instructional programs and afford students opportunities for enrichment. Participation in extracurricular and co-curricular activities is a privilege, not a right. *As representatives of our school, students participating in such activities are expected to meet high standards of behavior and maintain passing grades in all classes.* North Star Charter School will adhere to all rules and regulations of the Idaho High School Activities Association.

Definition of Extracurricular and Co-curricular Activities:

- Extracurricular activities are school-authorized activities, which take place outside of the regular school day and do not involve class credit, including, but not limited to athletics, student groups or organizations, and community activities.
- Co-Curricular activities are school-authorized activities held in conjunction with a credit class, but taking place outside of the regular school day including, but not limited to drama, band or choir.

Extra-Curricular Activities at North Star Charter School: The extra-curricular program consists of a variety of challenging activities designed to appeal to diverse interests and talents. To make the most of your school experience, get involved in one of the following: Basketball, Cross Country, Volleyball, Golf, Student Council, Track, Ski Team, Cheer, and/or National Junior Honor Society

Dances: Admittance to all school dances may require an admission fee or presentation of the Student Activity/Identification Card. Students must arrange for transportation to and home from the dance. Students cannot leave until the dance is over or their parents pick them up. Parents are reminded that students should be picked up within 15 minutes after the dance ends. (Students staying on campus after this time may lose privileges to attend other school activities.)

Student Government: The student government, or student council, consists of elected officers that may differ with each age group. There will be a president, vice-president, treasurer, secretary, and class representatives. The student council meets regularly, at which time business is transacted and student body activities are discussed. To become a candidate for office, a student must file an appropriate petition and satisfy the academic and citizenship requirements. A plurality of votes cast is necessary for election. Once elected, student body officers must maintain academic and citizenship requirements.
