Head of School's Corner

Updates on North Star's Charter: The North Stars Board of Directors and staff invite you to attend a town hall gathering to get the most up-to-date information about our school and find out how parents, students and the greater North Star community can get involved in showing positive support for our school. The meeting is scheduled for Wednesday, July 10th at 7 pm and will be held in the North Star band room. During the meetings, there will be time for questions and answers. In advance, if you have questions that you would like to have addressed at the meeting, please forward them to:

information@northstarcharter.org . We hope everyone can attend as we hope to mobilize and rally our supporters to ensure we have great enrollment numbers when we open our doors on August 22 for the new school year.

Acknowledgement: Ms. Vicki Woodward has kept a number of North Star students off the streets this summer by engaging them in a very vigorous chemistry class – thank you, Ms. Woodward!
