

# NORTH STAR CHARTER SCHOOL

---

## IB World School – International School of Business & Economics

### **8<sup>th</sup> Grade Back to School Night Schedule**

In an effort to provide quality information about your son/daughter’s 8<sup>th</sup> grade experience, we are trying a different approach to Back to School Night this year. Instead of having 7 minutes per teacher and cycling through all classes in one evening, we are hosting two evenings with 20 minute sessions per teacher. The goal is to adequately explain student expectations for learning in each class, and be proactive in our communication between home and school. When all three of us (school, parent, and student) are on the same page, great things happen!!

#### **Wednesday, September 7**
