

## North Star's Give Back Program

Are you looking for a way to give back to North Star while advertising your business or service?  
Consider partnering with us through our Give Back Program!

Give Back Program Details:

- North Star will provide a dedicated space at the school to distribute 4x8 brochures advertising give back opportunity (company must supply brochures)
- North Star will provide a page on our website for school business partnerships and post link to our school Facebook page
- All donations through this program go to a “where needed most” fund to be determined by North Star Administration Team.

*\*North Star does not use school email lists to advertise individual give back opportunities.*
