Middle School Intramural Program

I can't believe there are only two months left of school and intramurals. Where is the time going!? With March Madness wrapped up students are excited to play some basketball, and some students want to learn how to play and this is the perfect opportunity for the, to learn and play.

We will be playing from 3-4:30 on all days except Tuesday the 11th. Our elementary is doing a tennis unit in the gym Monday-Thursday starting at 4. So on Tuesday we will go from 2:45-4 and our second day of basketball will be Friday the 14th. After that we will be back to our usual schedule. If you would like to watch your child play basketball, week three and four would be a great time to watch the games. We look forward to seeing your students afterschool on the court!
