Middle School Intramural Program

Happy Holidays Everyone!

I hope you had a great weekend to start break! When we return back to school we will have Monday, January 8th off so when students come back to school on Tuesday, January 9th we will have our first day of intramural bowling. We have never offered this sport but are very excited to try it out this year. Students will learn how to keep score on a bowling sheet and use as close to real bowling balls and pins without putting holes in the wall. This is a cool life skill kids can learn how to do and continue to do it as they get older.

There will be a two week break from intramurals from February 2nd-27th. Even though that is 3 weeks, we have winter break in there and with it being a shorter month and having 3 sports left we just don't have enough time to get another sport completed. Thank you for your understanding with that.

Just a reminder that we run from 3-4:30 so send your child with a few extra snacks they can have before we start playing at 3. We look forward to seeing your child this month for bowling.
