

NORTH STAR CHARTER SCHOOL

Job Title: Middle School Science Teacher

Location: Eagle, ID

Position Type: Full Time

Reports to: Principal

SUMMARY:

We are seeking a highly qualified and experienced middle school science teacher to join our team at North Star Charter School in Eagle, Idaho. The successful candidate will be responsible for delivering engaging and challenging lessons to students in grades 6-8, helping them to develop an understanding of the scientific method, earth science, physical science, and life science.

ESSENTIAL DUTIES AND RESPONSIBILITIES:

- Develop and implement effective lesson plans that align with the Idaho state standards for science and provide individualized and small group instruction in order to adapt the curriculum to the needs of each student.
- Create a positive and inclusive classroom environment that fosters active learning and student engagement.
- Use a variety of teaching methods and resources to facilitate student learning and achievement in scientific inquiry, critical thinking, and problem-solving.
- Assess student progress regularly and provide feedback to students and parents/guardians.
- Collaborate with other teachers and staff members to develop and implement school-wide initiatives and programs.
- Participate in professional development opportunities to enhance teaching skills and stay up-to-date with the latest research and trends in science education.

QUALIFICATIONS:

- Bachelor's degree in science education or a related field
- Valid Idaho teaching certificate with an endorsement in science for grades 6-12
- Preferred teaching experience in science at the middle school level
- Strong knowledge of Idaho state standards for science
- Excellent communication and interpersonal skills
- Ability to work collaboratively with colleagues and stakeholders

NORTH STAR CHARTER SCHOOL
